StrucSure Home Warranty Welcomes Scott Whisenant to Sales Team

Whisenant to Promote StrucSure's Warranty and Insurance Programs in Central & Southwest Texas

DENVER – September 22, 2010 –StrucSure Home Warranty, one of the major providers in the home warranty industry, would like to welcome Scott Whisenant as the new Vice President of Sales for the Central and Southwest Texas Region.

“The new construction and remodeling markets in San Antonio and Austin are among the strongest in the country,” said Christopher Macaulay, President of StrucSure Home Warranty. “The addition of Scott will position us to increase our market share while offering critical products and services to builders and remodelers.”

“Working for a forward-thinking, strategic company gives me an opportunity to provide the builders and remodelers throughout Central and Southwest Texas with risk management solutions that not only protect their bottom line, but add to it,” said Whisenant. “I’m looking forward to helping the builders and remodelers manage their risk, while also providing them with critical sales tools.”

Prior to joining StrucSure Home Warranty, Scott worked in the Business Relations Department for the Better Business Bureau for two years. He has also worked in the construction industry for over 20 years.

About StrucSure Home Warranty

For more than a decade, StrucSure Home Warranty has provided builders and remodelers with products and services that deliver peace of mind. In addition to its 10-year residential structural home warranty and one-year remodeler’s warranty, StrucSure offers a competitive portfolio of other risk management products that protect the bottom line of builders and remodelers across the U.S. Its extensive product service offering, competitive rates, and stellar service keep builders and remodelers relying on StrucSure for their warranty and insurance needs.
