## WHAT IS A SINKHOLE REPAIR WARRANTY?

Discovering damage to your home or business as the result of a sinkhole is nothing short of stressful. If you need repair services from a foundation stabilization expert, it's not only critical that you choose the best contractor to do the job, but that no further issues arise after project completion.

StrucSure Home Warranty's sinkhole repair warranty was designed to give property owners peace-of-mind about their repair project and the contractor they choose to do the work.

## WHY HAVE WARRANTY COVERAGE?

A warranty helps you avoid potential headaches, hassles, and "what if's?" and can make your sinkhole repair project a positive experience.

Even though your sinkhole repair contractor may offer you warranty protection, not all warranties are created equal, just as not all contractors are the same.

By selecting a contractor that is a member of StrucSure Home Warranty, you can have confidence knowing that your sinkhole repair project is being handled by two leading, reputable companies who are dedicated to your experience, satisfaction and peace-of-mind.

Under this warranty program, in the unlikely event that your property experiences structural damage as the result of the sinkhole repair, StrucSure Home Warranty will resolve the issue.

## WHY YOUR SINKHOLE REPAIR CONTRACTOR CHOSE STRUCSURE HOME WARRANTY AS THEIR WARRANTY ADMINISTRATOR

Your contractor chose StrucSure Home Warranty to be their warranty administrator because of StrucSure's reputation in the warranty industry, commitment to service, focus on claims resolution, and dedication to the property owner experience. Because of their confidence in our programs, you can sleep better at night knowing you have coverage from one of the leading warranty providers.

## WARRANTY BENEFITS

Here's what makes StrucSure's Sinkhole Repair Warranty the best protection available to property owners like you:

- ◆ Our coverage terms include two options: a five-year or ten-year direct warranty (please ask your contractor about the coverage term selected for your project).
- ◆ Our program includes coverage for residential or commercial properties.
- ◆ Our warranty covers structural damage to a property caused by foundation stabilization repairs (as defined by Florida Statute 627.706\*).
- ◆ Our warranty is insurance-backed, providing you another level of protection and financial security.
- ◆ Our warranty is fully transferable at no fee, providing you with a valuable marketing tool if you decide to sell your property within the warranty term and protecting a buyer against future issues and liabilities.
- ◆ Our warranty includes a provision for third-party arbitration should a disagreement about coverage occur between you and your contractor. This arbitration process benefits all parties by providing a solution to the problem without the time, energy, and expense of litigation.
- ◆ StrucSure doesn't hide when a claim arises. In fact, StrucSure sets aside a high percentage of every dollar received for the purpose of covering claims.

\*Visit <http://www.flsenate.gov/laws/statutes/2012/627.706> to learn more about the Florida Statute.

## WARRANTY PROVISIONS

For a period of five or ten years after project completion and your sign-off on the work performed, your contractor warrants that there will be no structural issues as a result of the sinkhole repair project.

If you experience a covered structural issue during the warranty term, warranty action will be taken and the issue will be resolved. Please reference your Warranty Coverage Booklet for terms, conditions, and exclusions.

## WE'VE GOT YOU COVERED!

At StrucSure Home Warranty, our goal is to promote healthy contractor/property owner relationships as well as see to it that you have a long and worry-free experience with your sinkhole repair.

Rest easy knowing that your contractor also shares in these goals and wants you to feel confident about your repair project in every way.

The hope is that you will never need warranty protection, but if a problem emerges, you'll be glad you're covered.

## LEAVE THE RISK TO US!

For more information on warranty coverage or property owner benefits, contact your sinkhole repair contractor or StrucSure Home Warranty.
