

## StrucSure Risk Management Group Announces New Strategic Affiliation With OnPoint Underwriting for Insurance Division

DENVER, CO – August 28, 2014 – StrucSure Risk Management Group, one of the nation's leading providers of warranties, insurance, and re-insurance products and services, has entered into a strategic relationship with OnPoint Underwriting, an affiliate of Brown and Brown Insurance. Effective August 1, 2014, OnPoint Underwriting is the Managing General Agent of StrucSure Insurance Services, Inc., the insurance division of StrucSure Risk Management Group.

StrucSure Insurance Services, Inc. provides businesses, builders, developers, and subcontractors with solutions to managing risks, insuring operations, and protecting assets. With extensive experience in the building and commercial business industries, StrucSure provides creative risk solutions and comprehensive insurance packages based on each client's needs.

OnPoint Underwriting is a leading insurance solution provider and Brown & Brown Insurance is one of the largest and most respected independent insurance intermediaries in the nation with over 70 years of continuous service.

"As the new Managing General Agent of StrucSure Insurance Services, OnPoint Underwriting allows us to provide our builder clients with greater breadth, depth, and expertise in regards to the insurance products and services we can offer," said Jerry Thompson, CEO of StrucSure Risk Management Group. "Now we have access to an even larger pool of markets, allowing us to offer the most competitive rates and coverage for all types of risk."

"The partnership between StrucSure Insurance Services and OnPoint Underwriting made good business sense given the growth of StrucSure and their positioning as a key player in the construction industry," said Richard Poling, Managing Director for OnPoint Underwriting. "StrucSure's clients will greatly benefit from this affiliation through an increase in insurance program options and a decrease in coverage rates."
