

StrucSure Home Warranty Hires Stacie Locke as V.P. of Sales, Rocky Mountain Region

DENVER, CO – December 9, 2015 – StrucSure Home Warranty, one of the nation’s leading new home warranty providers and a member of StrucSure Risk Management Group, recently announced the addition of Stacie Locke as their new V.P. of Sales for the Rocky Mountain region.

Locke was previously the Executive Officer of the Central Texas Home Builders Association where she spent 2 ½ years serving local home builders and industry associates through policy management, communication, advocacy, relationship building, and other activities. Previous to that position, she worked in advertising / sales for the Killeen Daily Herald Newspaper for 7 ½ years.

“Given Stacie’s industry experience and passion for homebuilders, she is a natural fit and will be an asset to our team” said Chris Macaulay, President of StrucSure Home Warranty. “Stacie’s drive and sales acumen will bring additional value to our current sales organization and the needs of builders throughout Colorado and the Rocky Mountain Region.”

In addition to selling insurance-backed new home warranties, Locke will also be the local risk management expert for builders looking for proven strategies to reduce their liabilities and increase their bottom line. “I’m excited to put my skills and industry experience to work in Colorado and look forward to being a resource to builders and business partners,” said Locke.
