DENVER CO – January 2, 2015 - StrucSure Home Warranty, one of the nation's leading home warranty providers, announced today that Tiffany Acree has been named Senior Vice President of Sales. Acree will continue to sell and service clients in her territory that includes north, east, and west Texas and will play a greater role in company sales strategies and business development efforts moving forward.

Acree joined StrucSure in 2007 and has been involved in the new home warranty industry since 1994. She is very active with local homebuilder associations as well as the Texas Association of Builders. She has received multiple industry awards and is a four-time member of StrucSure Home Warranty's Million Dollar Club (being the first employee to achieve million dollar producer status during 2011, and receiving that recognition every year thereafter).

Widely recognized throughout much of Texas as one of the most dedicated and hard-working sales professionals in the homebuilding industry, Acree takes pride in not only providing solid risk management services to her clients, but also being a thought leader on current issues that affect the homebuilding industry. Acree excels at building long-lasting, trust-based relationships with her clients and colleagues. Her "people-first" approach to business, along with her natural sales abilities and instincts, allow her to serve her clients and continually exceed their expectations.

"Since joining StrucSure Home Warranty, she has been our top salesperson and has played a critical role in our sales strategies and growth."

"Ms. Acree is highly regarded in the Texas homebuilding industry and has gained a high level of trust and respect by her clients, coworkers, and peers as a result of her industry involvement, selling style, and dedication to customer service," commented company CEO Jerry Thompson. "This promotion is well deserved and a testament to her hard work and commitment, not only to our company, but to each and every one of her clients."
