

Tiffany Acree and D'Ann Brown Achieve StrucSure Home Warranty's Million Dollar Producer Status Again in 2015

DENVER CO – January 4, 2016 - StrucSure Home Warranty, one of the nation's leading home warranty and risk management providers, is proud to announce Tiffany Acree and D'Ann Brown have earned the distinctive honor of being inducted into the Million Dollar Sales Club again in 2015.

Both Acree and Brown serve the state of Texas, with Brown focusing on South Texas and Acree focusing on North, East, and West Texas. 2015 marks Brown's third year in a row achieving million dollar status, and Acree has now achieved million dollar status five years in a row (Acree was the first sales representative to receive the Million Dollar Producer Award with StrucSure in 2011).

"We're thrilled about this achievement as it is indicative of Tiffany's and D'Ann's commitment to sales, service, and excellence. It also exemplifies the trust and confidence our homebuilders continue to place in our organization and risk management products and services," said Christopher Macaulay, President of StrucSure Home Warranty.

Both Brown and Acree are very active in their local homebuilder associations, are members of the Texas Association of Builders, and have received multiple awards related to their industry involvement.

"Tiffany and D'Ann are consummate sales professionals and have worked extremely hard to reach StrucSure's Million Dollar Sales status," commented company CEO Jerry Thompson. "Our positive reputation among Texas builders and our increase in market share across the state is a real testament to the value and service Tiffany and D'Ann provide to builders and the industry as a whole," said Thompson.
