

StrucSure Home Warranty Launches New Online Warranty Portal for Builders, Homeowners, and Title Companies

StrucSure's new online portal provides real-time access to important warranty documents and coverage information

DENVER, CO – September 1, 2015 – StrucSure Home Warranty, one of the nation's leading new home warranty providers and a member of StrucSure Risk Management Group, announced the recent launch of the StrucSure Warranty Portal. The online portal was developed to give builders, homeowners, and title companies access to important warranty documents and coverage information in real-time, and also supports StrucSure's ongoing efforts to reduce their paper output and become more conscious of their environmental impact.

"We're excited about the launch of the StrucSure Warranty Portal as this initiative supports our commitment to provide additional value to our clients through the use of technology while making our own business processes more efficient and effective," said Christopher Macaulay, company president. "In addition, the online portal supports our goal of becoming more environmentally conscious by reducing our paper consumption."

The portal, which can be accessed via StrucSure's website (www.strucsure.com) provides important coverage information and allows builders and homeowners to view, print, and/or download their Warranty Booklet and Certificate of Warranty Coverage. By having real-time access to their warranty documents, builders and homeowners can confirm coverage and have peace-of-mind the warranty is in place and backed by StrucSure Home Warranty, one of the top providers of new home warranties nationwide.
